“FINDING WISDOM IN TRIALS”

Big Idea: God gives generously to his people through prayer.

DATE: May 14, 2017

SPEAKER: Joe/Brian

SERIES: James

PASSAGE: James 1:5-8

Discuss

1. What do we lack? Wisdom (5a)

What aspects of your life do you tend to lack the most wisdom?

Why does this conversation immediately follow suffering?

2. How does God give? Generously through prayer (5b)

What is startling about the promise in the passage? Why should that make us feel sad and happy at the same time?

If you are honest, why is prayer difficult for you personally?

3. How should we ask? With sincere faith (6-8)

Does this passage mean that we can't have any doubts? Explain.

What is something that you will start asking wisdom about from God?

Pray

Praise God that he gives to us generously.

Confess the ways that you try to face your suffering on your own.

Thank God that he grants us wisdom in the midst of trials.

Ask God to deepen our prayer life and our faith in him to ask for what we need.
