“FIGHTING TO PERSEVERE”

DATE: February 19, 2017

SPEAKER: Joe/Brian

SERIES: The Life of Moses

PASSAGE: Exodus 5:22-6:13

Discuss

In order to persevere in God’s work, we must continually:

1. Speak our confusion to God (5:22, 6:10-12)
What areas in your life do you tend to question God’s sovereignty the most?
What lessons can be learned specifically about how Moses talks with God?
2. Hear the truth about God (6:1-8, 13)
To what does God point in order to encourage Moses?
What truths about God are most dear to you right now?
Why?
3. Face the pervasive unbelief within us (6:9)
What is encouraging about Israel’s unbelief? What is challenging about it?
Personally speaking, what helps you to notice unbelief and address it in your own life?

Pray

Praise God that he perseveres to save us, despite our unbelief.

Confess together all the ways that you are currently struggling to believe that God is loving and powerful.

Thank God that he allows us to wrestle with him in prayer and honesty.

Ask God to root out our unbelief, so that we can deepen our rest in Christ.
