## "THE SACRIFICIAL LAMB"

**Big Idea:** We can feast on the Lamb, Jesus, because life and liberation come through his death.

DATE: March 5, 2017

SPEAKER: Brian/Jared

SERIES: The Life of Moses

PASSAGE: Exodus 12:21-28

## Discuss

### 1. Rescued by the lamb's blood (21-23)

What specifically do we learn about God in this passage?

What do we learn about ourselves?

If God knows who the Israelites are, why do they need the blood?

### 2. Celebrating the lamb's sacrifice (24-28)

Why would God have the Passover continue to be celebrated?

In what ways are the Passover and the Lord's Supper similar? Different?

Why is the Lord's Supper more than a simple reminder? What does it do for you?

## Pray

Praise God for his kind provision in protecting us in Christ.

Confess the ways that you have mitigated the significance of Jesus by beating up on yourself.

Thank God that the finished work of Christ is secure and our standing in him is certain.

Ask God to fill our church with a profound awareness of our own sin and a deep love for our Savior's blood.
